

**“Multiples Makin’ Waves”  
The Triplet Connection National Convention  
July 10-12, 2009  
Newport Beach, CA**

Dear

The Triplet Connection is a national, nonprofit organization which provides support for families with higher multiple births. Each year we hold a national convention so our families have an opportunity to meet other families who have triplets, quadruplets, and more.

The auction helps pay the expenses of the convention and allows us to charge each family as little as we possibly can. We’re hoping you can help support our efforts by making a donation to our auction. All donations are tax deductible. The items will be advertised throughout the convention to all the families in attendance, and will also be acknowledged in an upcoming newsletter that is sent to 7,000 homes and doctor’s offices each quarter.

Thanking you in advance for your support.

Sincerely,

Amy Alvarez, M.D.  
(Mom to Alex, Nando, and Chris born 4/28/88)
